Student Attendance Policy

21ST Century Community Learning Center of Global Leaders is an after-school and summer activity program that maximizes student learning and provides academic enrichment to students (grades 3-8) who benefit from additional support to become proficient in core academic areas and enrichment opportunities, including physical, social, emotional, and career exploration via fun, engaging, hands-on, project-based enrichment activities.

Please be advised that the after-school program will not have medical personnel on campus. In case of emergencies please make sure to have all Emergency Contacts up to date. Main office will only provide band-aids and ice.

Attendance: Attendance in the Gocarizing program is mandatory. A student is required to be present for the entire 3 hours of the program. If a student is absent during any block period of the program it will count as absent for the whole day, this includes being picked up early for dismissal. If a student has more than **3 absences** in a month period, is at high risk of being removed from the program.

Parents are to contact the GOCARIZING program director concerning the absences. An excuse note needs to be provided within 48 hours of the absence or the absence will be recorded as unexcused.

Late Pick-Up GOCARizing After School Program Hours 3:30pm-6:30pm

Any child picked up after 6:30 pm repeatedly will be in Jeopardy of being dropped from the program.
